

NORRA

Life at Norra is simply serene. It is an homage to the elegant, yet functional philosophy of Scandinavian modernist design. Situated near Interstate 35, but not far from outdoor destinations for hiking or lake activities, Norra keeps you connected to suburban life and nature in a perfect balance. Find a peaceful freedom both inside and outside at Norra.

A modern, open-plan living area with a light blue sofa, orange armchairs, and a dark wood bar area. The space features a large, abstract metal sculpture hanging from the ceiling and a patterned rug. The background shows a kitchen area with a dark countertop and a large window.
